

New Electronic Visa Application System

Last Updated:
December 27, 2024

The Tanzanian Government has instituted an Electronic Visa Application System. All travelers arriving into Tanzania will need to purchase their Tanzania visa directly online prior to arrival. You are required to complete the online application form and submit your credit card payment for the \$100 per person visa fee. After about 1 - 2 weeks, please login to the website again to print your visa and make sure to bring with you to Tanzania. Please only apply directly through the Official Government Application System at: visa.immigration.go.tz

You'll need to have the three following documents accessible prior to starting the application process:

1. A photo of your yourself (headshot)
2. Picture of your passport data page
3. Copy of your international flight itinerary. You can simply use your phone/tablet to take the pictures.

Please see below for a few tips to help with the process:

- Remember to write down your application ID number, email address used and answer to your security question when you first begin the application process
- Make sure to reduce your photos (jpegs are required) before uploading to a file size under 300KB for your headshot and passport data page. Alternatively, feel free to email us your files and we can resize for you and email back.
- When uploading your photos, be sure to change setting to 'All Files'
- A PDF file under 1MB is required for your flight itinerary upload
- Many of our guests report their credit card payment for the \$100 visa fee being declined when using the official government application system as the charge originates from a foreign country. We recommend that you call your credit card company BEFOREHAND and let them know you'll be applying for a foreign visa and to expect a charge of about \$100 per visa from Tanzania. Also, many of our guests report better success using a 'debit card'.

On the trip info tab within the online application, please use the following information:

Type of Visa Selected:
**Multiple Entry (for U.S.) or
Ordinary (Canada)**
